

## Be A Part of Virginia Equine History

**The Equine Campaign for The Meadow** presents an unprecedented opportunity to help develop an Equine Complex in central Virginia designed to meet the needs of Virginia's large and diverse equine population. It will provide people of all ages the opportunity to grow and develop through equestrian pursuits while forming lasting relationships – both human and equine.

*Covered Arena (Later Phase)*

Centrally located in Caroline County, **The Meadow Event Park** is well situated to support Virginia's equestrian disciplines and pay tribute to all things equine with a state-of-the-art complex for shows, competitions, clinics and other events. **The Meadow Event Park** will preserve valuable green and open space while honoring Virginia's most celebrated piece of equine history at the place where it all began, the birthplace of the legendary Secretariat. Over one-third of the total **Meadow Event Park** is designated for equine activity.

**The Equine Campaign for the Meadow** is a philanthropic fund-raising campaign that is raising support for construction of an Equine Complex and (at a later date) a Museum of the Virginia Horse.

There are many opportunities for donor recognition and support in the Equine Complex and SFVA welcomes donors at all levels.

*4 Outdoor Show Rings (1 to be covered)*
