

Honor Your Passion for Horses – at The Meadow

Today, you can preserve a legacy and be a part of history by supporting the SFVA Campaign for The Meadow through a tax-deductible charitable contribution to The Meadow Event Park project. Your gift will help construct the Equine Complex, and a stall will be recognized in honor of you or a person of your choosing – or a horse or companion animal – with a highly visible plaque on a stall in the Southern States Legends Stables at The Meadow Event Park:

- (1) stall, \$1,500 – payment can be made by check or credit card
- (2) or more stalls, \$1,250/stall
- Pledges can be paid over 3 years.
- Memorial plaques may include both the name of the donor and person or horse memorialized (e.g. “Sue Mullins in memory of Souvenir’s Sundance”)
- ‘Purchase’ of a stall through this opportunity constitutes a contribution to SFVA, a not-for-profit organization. The donor is entitled to a charitable gift tax deduction as allowed by the IRS.
- Contributions will be recognized by a plaque bearing the name of the donor (or whomever the donor wishes to recognize) and mounted in a prominent location on a randomly selected 10’ X 10’ or 10’ X 12’ stall.

‘Purchase’ of a stall does not automatically give the donor a right to use that stall, any other stall in the Stall Barns, or any facility on the property. Contributors will be given the chance to ‘purchase’ the 143 stalls on a first-come basis.
