

Tribute Trees at The Meadow

Support the **SFVA Campaign for The Meadow** by making a charitable contribution of \$250 and putting your name or the name of someone you love on a tree at The Meadow Event Park. Trees have been planted starting in 2009 in the Equine Complex, in front of Farm Bureau Center, around the midway, beside the parking areas, and in other areas.

- (1) tree, \$250 – payment can be made by check or credit card
- (2) or more trees, \$225 each
- Donor / memorial names will be depicted on short mounting posts at the base of randomly selected trees.
- 'Purchase' of a tree constitutes a contribution to SFVA, a not-for-profit organization. The donor is entitled to a charitable gift tax deduction as allowed by the IRS.

Planting of trees begun in 2009
