The Meadow Pavilion is a multi-purpose facility bathed in sunlight. A central skylight and overhead sectional glass doors highlight this property. The setting is perfect for small business functions, seminars and conferences, award banquets, lunches, press parties and holiday events.

The building has all the amenities for electrical, phone and data connections and parking adjacent to the building. Building is heated for winter events and sectional glass doors can be open in the spring and summer. Air conditioning is not available in this building .
