To coin a phrase from Meg Ryan in "You've Got Mail" – "For whatever else anything is, it ought to begin by being personal." Your event begins and ends with being personal to Jake's Place. Voted best barbecue, ribs and dining in Hanover County, we take tremendous pride in delivering the most delicious and freshest of foods to your table. Proud to have the honor of winning Best Display at the Taste of Hanover for the past three years, we have an eye for décor and detail. That sense of décor and detail is clearly displayed in the conversion of the 1926 gas station where Jake's Place is located. Working closely with our clients, we get a sense of their style so that we can deliver an eye-appealing arrangement that will allow their guests to feel welcome. Your special day is also our special day. So whether it's a wedding reception or corporate event, it's personal to Jake's Place.
